## Your bedroom's unlike any other.

It's a very personal place; it sets the tone when you wake up, helps you look your best all day and welcomes you when you're ready for sleep.

With Urbano, your bedroom can be as personal as you like.

A range of furniture to suit any setting and any lifestyle, Urbano's look is inspired by European design and contemporary metro cool.

But the real beauty is that it allows you to bring together a variety of on-trend colours and warm natural tones, luxurious textures and bold statements in your chosen combination, making it truly a bedroom for everyone.

Urbano gives you a style that frees your inner designer and offers you endless possibilities.

### Symphony®

Symphony is the name behind some of the country's most popular kitchens, bathrooms and bedrooms and has been for over 45 years.

But whatever we do, our aim remains simple: **To create the perfect living space.**

## Creating a look you'll love.

Sharp style, or subtle with a touch of elegance?

Bold shades, or natural tones?

Practical chic or unashamed luxury?

Your bedroom should match your mood... and with so many options, Urbano's ideal.

It's easy with **urbano**  
by Symphony®

“When I wake up  
in the morning light...”

Open your eyes.

Every day's a new day. Fresh and exciting, a different adventure.

Welcome each one surrounded by everything you love.  
A quick peek outside - how's it looking?

Almost as beautiful as inside!

Everything in its place, everything's alright with the world.  
Start the day in style with Urbano.

“Are the stars out tonight?”

Wind down time. Me time. Bedtime.

Whatever you call it, it's time to relax.

Look back on another day, remember so many good things and talk about tomorrow. And where better to do that than right here?

Calm contrasts, soothing shades, designed to create the perfect mood any time of day.

That's Urbano.

# “Darling, that was so last year.”

“It’s all a question of taste.”

Up-to-the-minute, a design statement to savour.

Beautifully contrasting tones that reflect the latest thinking.

All created by Urbano.

## Dusk Matt Dark Oak and Solar Gloss White

The high gloss doors sharply contrast with the rich, dark oak for a look of pure designer elegance, complete with long, graceful handles.

1. A perfect fit in any space.
2. Sparkling crystal handles make a stylish alternative.
3. Contrasting drawers create the look.

“I like to keep up with the latest...”

Oh so cool. With a certain tailored sophistication and clean cut looks.  
Good news is, Urbano style's surprisingly easy.

1. Create matching freestanding units easily.
2. Open bedside cabinets are available as part of the headboard, providing a simple yet stylish storage solution.

Solar Gloss Platinum  
and Dusk Matt Dark Oak

Crisp and clean, the stunning gloss platinum finish will introduce light and bring your Urbano bedroom to life. Whilst the Dark Oak presents an impactful contrast with the headboard being the focal point of the room.

Dusk Matt Light Ash  
and Dusk Matt Stone

The contrasting earthy tones of the drawer fronts against the light textures of the frame and main wardrobes create a discreet contrast and relaxed feel.

“That’s beaten my all time best!”

A new approach. A different level. A fantastic, personal achievement.  
An Urbano bedroom really is something to be proud of.

1. Bedside table wall hung to create space.
2. Glamorous square bar polished chrome handle.

Dusk Matt Light Ash and Solar Gloss Cashmere

For a lighter touch combine similar tones with contrasting textures, while complementing the existing en-suite furniture.

- 1. Polished handles meet high gloss style.
- 2. Maximise storage with a combi wardrobe.

“There’s a place for everything.”

Crisp, elegant, clean... everything neat and tidy but still with an air of sheer class. What else would you expect from Urbano?

Dusk Matt Cashmere  
and Dusk Matt Light Ash

A delicate mix of colours,  
soft and light, to create  
the perfect soothing foil  
to a bold wall colour  
and featured in a very  
distinctive combination.

“Hey, good looking!”

“I like the look of that!”

Everything has to be just so, right down to the tiniest detail.  
It makes all the difference to Urbano’s overall look.

1. Subtle contrasts work well.
2. Create a TV unit with bridging and drawer units.

### Dusk Matt Walnut

A warm and traditional look with the textured wood grain effect complemented by fashionable chrome handles, in a fitted and freestanding combination.

- 1. Fully fitted wardrobes give a tailored look.
- 2. Desk or dressing table? You decide.

“There’s an art to creating a bedroom this stylish.”

The use of colour and composition, the application of texture, the attention to detail. It’s what makes every Urbano bedroom different.

“Still got it after all this time.”

“Still looking good.”

Grace, elegance... and with quality in Urbano's every little detail, you can be sure of those beautiful looks for years to come.

#### Solar Gloss Ivory

Mixing a traditional fitted style with an ultra contemporary high gloss finish, creates a light and airy mood to contrast with the natural tones of the walls.

1. Transform an existing alcove.

2. Gloss finish reflects light back into the room.

“There’s nothing like spending time with your children.”

Full of fun, packed with energy, teeming with bright ideas... just like the bedroom and matching en-suite. Thanks, Urbano.

1. Stylish chrome feet available for selected units.
2. Alternate door colours for a striking contrast.

Dusk Matt Dark Oak and Lunar Painted White

A stunning combination of natural light and dark tones, creating a smart, fashionable look that can be completely echoed in the en-suite.

 It’s all part of Urbano.

1. Create unique pieces, like a window seat.
2. Clean cut lines of Urbano wardrobes are perfect for an alcove.

**Orion Sage**

The timeless classic of Orion brings this bedroom to life. The classic style is emphasised by the wardrobe cornice, and co-ordinates well with the fitted window seat and freestanding chest.
